THE CHARLEROI MAIL

VOL. XXIII—NO 190 CHARLEROI, WASHINGTON CO., FRIDAY, JANUARY 17, 1919 TWO CENTS

GREENE COUNTY MINING PLANT TO BE LARGEST IN UNITED STATES

The Buckeye Coal Company Will Be Ready To Ship In 3 Weeks

WILL HAVE A MODEL TOWN

Within the next three weeks, with a plant employing aproximately 1,500 men the Buckeye Coal company a subsidiary of the Youngstown Sheet and Tube Company, at Nemacolin, Greene county, will be shipping 6,000 tons of coal a day to the by-product ovens of the Youngstown Sheet and Tube company at Youngstown, O Already 23,000 tons of coal have been mined and is now awaiting shipment just as soon as the tipple is the coming of spring weather, developments of this operation which will eventually become the largest in the upper Monongahela valley, will be pushed rapidly to completion. Three hundred men are now employed at the plant and this number will be materially increased within the next few months.

The operation marks the first large scale production in the yet undeveloped Greene county coal field, which is expected to be rapid with post-war demands of industry. When completed the operation will be the largest producer of fuel from one point in the United States, it is claimed.

Every effort has been made by the owners of the company and the engineers to make the Buckeye plant at Nemacolin the very latest word in industrial enterprise. The most improved methods in mining and mining machinery will be installed at the plant and the civic development of the works is expected to be a model for industrial housing. There will be complete sewage and waterworks systems, modern equipped houses, club rooms and a modern brick school building so erected that additions can be made as the plant is enlarged.

The Youngstown Sheet and Tube Company owns 7,600 acres of coal at the Buckeye plant, of which field the company has owner 6,600 acres for a number of years, the additional 1,000 acres being purchased last spring.

The initial shipments of coal are expected to be made from the plant within the next month, to the by product plant at Youngstown. The first shipment will be made by river, but the Pennsylvania Railroad is building an extension to Nemacolin from Crucible, a distance of seven miles, and when this is completed shipments will begin by rail. The opening of this mine is expected to add materially to the industrial activity of the upper valley. The mine is 20 miles above Brownsville, two miles frim Masontown and four miles from Carmichaels.

One of the best estimates of the brilliant career of Colonel Roosevelt's is that of the New York World, a democratic newspaper.

BIRTHDAY PARTY IS HELD FOR MRS. ANDERSON

A surprise party was held in honor of Mrs. Free Anderson at her home on Crest avenue last evening. The occasion being the 66th birthday of the honor guest. The homes was tastily decorated with pink and white carnations. Music and games were the diversions of the evening. Mrs. Anderson was the recipient of many beautiful gifts. Favors were white carnations.

LOCAL YOUNG MAN TO EDIT COLLEGE PAPER

At a meeting of the class of 1920 of Washington and Jefferson College, held Monday morning in the college chapel, first steps were taken toward the publishing of the annual year book of the college, "The Pandora," when Ernest O. Dorbritz of Charleroi, was elected editor-in-chief and Alvin Dawson of Monessen, was named as business manager of the publication.

The Pandora this year will undoubtedly be a publication that will compare with any that the third year class has ever put out, and the particularly favorable circumstances that exists in college circles at the present time will aid materially in the preparation of this book. The college attendance is gradually assuming normal proportions again, and with the renewal of all activities the "Pandora" will be published with a view of re-establishing pre-war conditions. A complete record of all the alumni and active students of the college who took part in the great world war will be included in the book and it is certain that the 1920 Pandora will be a worthy addition to the library of any one interested in the college and its work.

Mr. Dorbritz has had considerable newspaper experience, and is now a member of the editorial staff of the Washington Observer. Mr. Dawson is also a young man of business ability, having had considerable experience in commerical affairs. The fact that both young men are from this section of the valley will give the publication more than usual local significance.

CROW MADE CHAIRMAN OF FINANCE COMMITTEE

Senator William E. Crow of Uniontown, will be the Chairman of the Senate finance committee at Harrisburg, it having been announced that President pro tem Buckman having assigned to that important position.

Let Us Deliver Your Coal.

Big Coal Acreage Is Sold In Greene County

Sales of 2,225 acres of Greene county coal, increasing the total acreage in that county held by subsidiaries of the United States Steel Corporation to approximately 17,000 acres, were reported in coal circles in the upper valley on Wednesday. While complete details are lacking, it is stated that the Cumberland Coal Company, which recently purchased the Dorsey tract from trustees of J. V. Thompson, has purchased the George L. Hibbs estate and the Gray and Moran holdings in Greene township, Greene county, and adjoining the Dorsey tract and the 12,000 acre tract purchased some months ago by the H. C. Frick company from the trustees of the Thompson estate. The Hibbs tract comprises 1,500 acres and the Cray and Moran properties 725 acres, the purchase price being reported at approximately $600 an acre and totaling in exress of $1,235,000.

In the Dorsey tract, the sale of which was approved by the referee in bankruptcy last week, there is 2,500 acres for which $1,637,000 was paid. Sven million dollars were paid. Seven million dollars were the Frick interests, which was the first large transaction consummated by the Thompson trustees.

The entire field now opened by the Steel Corporation interests comprises one block extending through Greene and Cumberland townships. It is understood that the purchasers contemplate t he early opening of this huge field, the fuel to be taken out through what is known as the Dorsey tract.

YOUNG MAN KILLED BY A HEAVY TILE

Ray Wilson, aged 22 year was almost instantly killed at the glass plant in Belle Vernon, Thursday afternoon at 1:30 o'clock when he was hit by a falling tile. The young man was employed by Heyl & Patterson of Pittsburg, which firm is putting a tile roof on one of the buildings at the glass plant there, and his death was caused by a big tile slipping its fastening and crashing down upon him. The body was brought to the undertaking rooms of Lawrence B. Frye and prepared for burial, and this afternoon at 3 o'clock forwarded to the late home of the young man in Battle Creek, Mich.

Joseph Francis Hurst

Joseph Francis Hurst died this morning at 6 o'clock at his home, 733 McKean avenue in the 78th year of his age. Funeral services will be held Sunday afternoon at 2.30 o'clock from the home of his granddaughter, Mrs. Frank Kline, 310 Sixth street, interment in Calvary cemetery. Mr. Hurst was a pioneer resident of Charleroi, coming here in January 1890 and working in the Hussey-Binns plant as a steel melter. He is survived by his widow and four daughters, as well as grandchildren.

Revival

Now in progress in the Free Methodist Mission at the corner of Eighth and Washington Avenue. Preaching every evening at 7:30. Come with us and we will do thee good. C. L. Page, pastor. 189-t2p

DALE JOLIFFE VISITS WITH CHARLEROI FRIENDS

Dale Jolliffe, who served in the Y. M. C. A. in France with the American Army, is in Charleroi today calling on his old friends. Dale was with the 36th Division, made up of Oklahoma and Texas troops, and was assigned to the 142nd Infantry. Prior to that time he had been with the 90th Division and for a time with the 15th Engineers. Later he had full charge of the "Y" hut at Chaumont, where Gen. Pershing's headquarters were located. He saw some strenuous service and "went over the top" with men from the South West, while in action in the Argonne Forest. Dale has many interesting tales to tell and is also exhibiting with much pride a brace of latest model German "guns" taken from Hun officers during the campaign.

Dance.

The dance which was to have been held in Might's auditorium this evening by the Char-Mon-Bell club will be held in Monessen at the Croatian hall on account of the ban on public dances because of health conditions in Charleroi. 190-t1

Mrs. I. T. Daniel and daughter, Mary Elizabeth have gone to Cleveland, Ohio, to attend the wedding of Miss Mabel Grace Davies, a cousin of Prof. Daniels to Rev. John Thomas Raymond, pastor of the Wade Park Baptist church of that city, which occurs Saturday afternoon at three o'clock.

BOARD DEFENDS ITS ACTION IN CLOSING THE PUBLIC SCHOOLS

CAPT. DALY TAKEN ILL AT ORLANDO

Kerfoot W. Daly and his brother, Dr. Harry C. Daly of Gibsonton, left for Orlando, Florida, Wednesday night, having been suddenly summoned to that southern city by the serious illness of their father, Capt. T. L. Daly. Mr. Daly is suffering from an attack of acute indigestion and his condition for a time was reported as being extremely critical. Capt. Daly and Family left for Orlando in December to spend the winter months and where he had been enjoying excellent health until taken with the attack the first of the week.

Greatest Number of Cases Came From Second St. Building

LEAST FROM THE JUNIOR HIGH

Considerable criticism having been made against the school board because of the sickness which has prevailed among pupils of the public schools of the borough during the past few weeks, the members of the board and the Superintendent authorizes the presentation of certain facts for the consideration of the people.

In these criticisms it was charged that because the high school was used for an emergency hospital it was responsible for the outbreak of what appears to be a mild form of influenza. The day before the board directed the schools to be closed there were 220 pupils absent from the various buildings, divided as follows: Second street building, 70 pupils; Fifth street building, 52 pupils; Ninth street building, 22 pupils; Crest Avenue, 21 pupils; Junior High, 10 pupils; and High School, 45 pupils.

This shows that the greater number of pupils reported absent on account of sickness came from the second street school, which with one-eighth of the enrollment has over one-third of the cases. The Junior High, in which the emergency hospital was located, had but 10 pupils absent, and not one of the eight teachers out on account of sickness, the best record of any divisions of the public schools. In addition to the 45 from high school four teachers were absent, but they taught in rooms which were not used by the emergency.

The board declares that all of the buildings are clean having been scrubbed and fumigated before school opened, and now are being given another thorough cleaning and airing which will be completed before school re-opens. As to the heating of the buildings, the board says some of the thermostats did not work properly in some of the rooms but they have been repaired and no further trouble is expected from this source.

The board is doing everything possible to have the buildings in the best possible shape and sanitary from every s tandpoint and will reopen the schools just as soon as conditions warrant.

RAID POOL ROOM BECAUSE OF GAMBLING

James Nesh, proprietor of the billiard room on Fallowfield avenue, near Seventh street, as well as eleven visitors, were arrested by the police in a raid made on his place about 10:30 o'clock last night. The prisoners were taken to the police station, where forfeits were left for their appearance before the Burgess at 7 o'clock this evening. Nesh and his "watcher" were required to leave forfeits of $50 each, while the visitors put up $7 for a hearing.

This is the second time Nesh has been arrested on the charge of gambling within a week, his place having been raided last Saturday night and a number of visitors as well as the proprietor being arrested, all of whom drew fines at a hearing before the Burgess the same evening. At that time Nesh was warned that if his place was "pulled" again steps would be taken to close his place. The patrons as well as the proprietor were said to be indulging in a game of "stud" poken, when interrupted by the visit of the police.

WHITE SHRINE IS TO BE INSTITUTED

A new organization, known as the "White Shrine," will be instituted at Donora next Friday evening with a large membership made up from Monongahela, Monessen, Charleroi, West Newton, Belle Vernon and California, as well as Donora. A preliminary m eeting was held in Donora last evening, at which time officers were elected and a place of meeting chosen. The officers elected for the year were, Mrs. Herman L. Dague as head of the organization, Herman Nebulung of Lock Four as associate, and Mrs. Lulu Darragh of Monongahela as the third member. Donora was chosen as the place of meeting, where the institution will take place next Friday evening. The memebrship of the White Shrine is confined to members of the Order of the Eastern Star.

SHOULD BE EIGHTEEN INSTEAD OF THIRTEEN

The restrictions placed by the Board of Health on those attending moving picture theatres and Sunday schools refers to all those under eighteen years of age, instead of thirteen, as announced yesterday. The figures as printed yesterday was an inadvertant error, as the age limit should have been higher.

OUR GRAVEST PERIL.

The [illegible] Advo[illegible] [illegible] of the [illegible] is a simple statement of the [illegible] in Congress. Irrespective of party. When President Wilson [illegible] his message to Congress, [illegible] concerning the railway problem, "Let me say once I have no answer ready" he was, is now obvious, merely quibbling. He meant, not that he had no answer, but that he was not ready at that moment to state it. This is proved by his immediate endorsement of Mr. McAdoo's recommendation of a five-year extension of Government control. And in the light of his now obvious purpose, his threat to restore the railways to private ownership "even before the ratification of the [illegible] should appear some other aspect in the meantime of a legislative solution," assumes a new and menacing significance.

For two years from March 4 despite the Republican majorities in Congress, Mr. Wilson will possess the veto power. He is committed to the extension for five years of Federal control and unless he should change his mind, no matter what legislative measure the Congress might pass, there would be no "clear prospect" of legislative solution.

Entirely germane to this situation are certain highly significant if less important facts. On the day Secretary McAdoo's recommendation was made public he caused the Office of Railway Administration in Washington to give to the newspaper correspondents the information that, of course, if Mr. McAdoo's recommendations were carried out there would be no reduction of the wages of railway employes for five years. Quite recently, a friend traveling across the country with the Director-General on his private car, remarked on the enthusiastic encomiums pronounced on Mr McAdoo by railway employes who boarded the car from time to time. Mr. McAdoo replied gleefully: "Yes, and they are equally enthusiastic. And there are 2,000,000 of them—and every one a voter."

Another and a serious phase of the situation is that Republican control of the Senate after March 4 will be more theoretical than real, for the reason that, in order to count a Republican majority, it is necessary to include certain Bolsheviki, of whom it is necessary to name only LaFollette and Norris. The [illegible] aid of [illegible] cent experience warrants [illegible] measure which Mr Wilson does not approve.

Attention has been called in these columns to the $700,000,000 increase in wages already granted railway employes, and to the prediction of Chairman Sines, of the Wage Board that increased wages will be granted soon to an additional 650,000 employes. It is a safe prediction that the increase of wages granted to railway employes under Federal control will considerably exceed the aggregate net earnings of the railways in normal times, leaving them no funds with which to pay dividends on capital, or interest on their debts.

Another phase of the [illegible] which is important [illegible] values are restored. Executon, therefore, of President Wilson's threat to restore the roads to private ownership without special legislation, and before the expiration of the statuory period, would mean, inevitably, absolute bankruptcy.

This, then, is the situation which confronts the Republican leaders and the nation. Woodrow Wilson holds the future of the railways, and through them the financial welfare of the nation in the hollow of his [illegible] Mr. Wilson [illegible] McAdoo [illegible] of a [illegible] Director-General's [illegible] perhaps [illegible], is already [illegible] voters whose wages he has been able to increase at the expense of the people. And finally, Mr Wilson is on record as [illegible] by implication, [illegible] can have their own way, he will promptly restore the railways to private ownership, which means their bankruptcy. For it is obvious that unless Mr. Wilson is prepared to abandon his stand for the five-year extension there can be no "clear prospect" of remedial legislation while he enjoys the veto power. Five-year extension of Government control or destruction of railway values and [illegible] disaster for the [illegible] alternatives [illegible]

[illegible] recent [illegible] normal times. Last fall for example $20,000,000 was advanced to the Boston & Maine for needed improvements. It is estimated by the management of that road, however, that the improvements procured with that loan will have an appraised value not to exceed $12,000,000 when normal

[illegible] common tradition. Italy was the most free from bonds of any kind. Yet the most spontaneous and ardent in the enthusiasm of high and low alike. A truly remarkable exhibition of friendship far beyond expectation.

"OH, IF I COULD BREAK THIS COLD!"

Almost as soon as said with Dr. King's New Discovery Get a bottle today!

The rapidity with which this fifty-year-old family remedy relieves coughs, colds and mild bronchial attacks is what has kept its popularity on the increase year by year.

This standard reliever of colds and coughing spells never loses friends. It does quickly and pleasantly what it is recommended to do. One trial puts it in your medicine cabinet as absolutely indispensable. 60c and $1.20.

Bowels Usually Clogged?

Regulate them with safe, sure, comfortable Dr. King's New Life Pills. Correct that biliousness, headache, sour stomach, tongue coat, by eliminating the bowel-clogginess. 25c.

Card of Thanks.

We sincerely thank our many friends and neighbors for their kindness and sympathy shown in the death of our beloved wife and mother. The kindness will never be forgotten. We also thank the choir for their splendid music and the many friends who so generously contributed the beautiful floral tributes.

John H. Davis and family.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. [illegible], 2043 North Taylor St., Philadelphia, Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.
